Green Cities™ at a glance

WHEN: May 20-21, 2009

WHERE: The Orange County
Convention Center, Orlando, FL

WHAT: An innovative sustainability
conference for business,
government and community

REAL VALUES › REAL SOLUTIONS

- Learn “best green practices”
- Demystify sustainability
- Discover relevant tools & resources
- Acquire strategies for going green
- Expand your professional networking
- Identify new green jobs

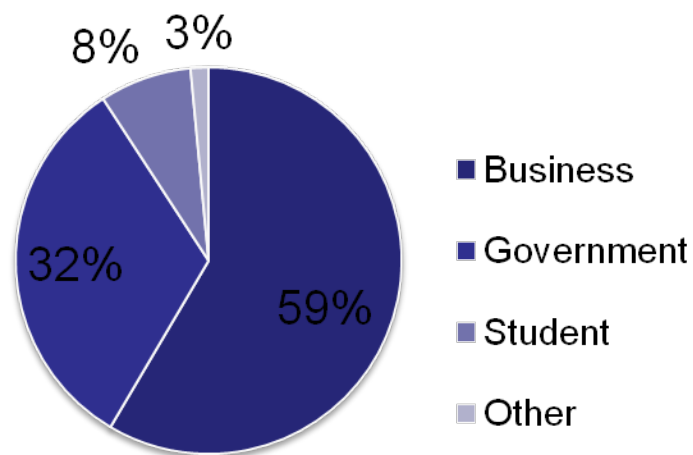

Green Cities™ Florida is designed to deliver an impressive, relevant and interactive experience for governments (federal, state, regional, and local), businesses, non-profits, and consultants who want to make sustainable decisions. Participants will be provided with tools and resources to help them improve policies, operations, and materials in ways that save money, generate jobs, conserve resources, and protect our environment.

Florida stands on the cusp of a tremendous emergence in clean technology, water conservation, green building, innovative business growth and wise land use planning.

Green Cities™ sponsor showcase

Participation in the Green Cities™ Showcase enables Sponsors to connect with our audience in a very unique way. Instead of the typical ‘hit or miss’ exhibit floor experience, the Green Cities™ Showcase will offer a more intimate and experiential interaction with conference participants. Together with networking breaks, meals, demonstrations and feature attractions, the Showcase is the hub of each Green Cities™ event.

Designed for the purpose of letting attendees test, interact with and learn about your products and services, the Green Cities™ Showcase will be defined by the imagination of our Sponsors.
