Green Cities™ Florida is designed to deliver an impressive, relevant and interactive experience for governments (federal, state, regional, and local), businesses, non-profits, and consultants who want to make sustainable decisions. Participants will be provided with tools and resources to help them improve policies, operations, and materials in ways that save money, generate jobs, conserve resources, and protect our environment.

Florida stands on the cusp of a tremendous emergence in clean technology, water conversation, green building, innovative business growth and wise land use planning.

Green Cities™ Florida Conference Highlights:

- Latest green business developments for Florida
- Sustainability experts and leaders
- Professional development courses
- Instructions for greening your government & business
- Sessions on Florida's share of the stimulus package and best practices for Florida business and government utilization
- Green Cities™ Showcase of sustainable products and services
- USGBC, SMaRT, & FL green building certifications
- Continuing education credits: AIA/CES, IDCEC, IFMA, CSI, & BOMI
- Insight into environmental jobs and opportunities
- Opening Celebration for the new Climate Change Education Center at OCCC and Green Cities™ Florida
- Ribbon cutting ceremony and official “Flipping the Switch” for the new 1 MW Solar Electric System atop the Orange County Convention Center
